

Sandbach Clean Team

Newsletter no 16

January 2009

LOCAL BUSINESS SUPPORTS CLEAN TEAM

VI Distribution, suppliers of Personal Protective Equipment (who supply our litter picking equipment) has kindly donated 100 pairs of PVC gloves. These should keep us going for a year or two! Their support is very much appreciated.

Mark Clarke of VI Distribution presents Dick Macaulay with the gloves.

WORK WITH YOUNG PEOPLE

In a bid to spread the Clean Team message to younger Sandbach residents, SCT members **Ken Simpson** and **Sue Jones** recently gave a short presentation to Sandbach High School "Eco Club". A "Litter Quiz" devised by Ken will be used to raise awareness more widely at the school. Sue will be at the school in the New Year to deliver a project workshop promoting the recycling of plastics. We hope this will be the start of a long-term association with the school.

BRERETON CLEAN TEAM

Brereton Clean Team continues its war on litter to keep our local community tidy. Thanks to all for a good litter pick in November, and to Jean for laying on well-earned bacon butties and hot drinks at the end.

ROTARY CLUB & TATRA LOOK FORWARD TO SPRINGTIME

On a cold and misty Saturday 29th November, The Avenue's Tenants and Residents Association planted daffodil bulbs provided by Sandbach Crosses Rotary Club. Thanks to both groups next Spring will be more colourful and picturesque around The Avenues.

Sandbach is becoming brighter and cleaner!

PRIMARY SCHOOLS' GARDENS PROJECT

Six of the seven primary schools have now completed their garden development that this project has supported. A full report on their achievements will follow in the spring.
